MATTER IN RHYTHM

CONTEXT MAKES SURFACES

2

LUCE / MATERIA / SPAZIO
LIGHT / MATERIAL / SPACE

Una materia cambia con ciò che la circonda. La luce ne rivela la profondità, gli accostamenti ne modificano il carattere, lo spazio ne definisce la presenza. Eterea nasce per entrare in relazione con l'ambiente, trasformando la superficie in parte di un immaginario più ampio, fatto di atmosfera, proporzioni e dettagli.

ETEREA COLLECTION

3

A material changes in relation to its surroundings. Light reveals its depth, the materials around it alter its character and space defines its presence. Eterea is designed to interact with its surroundings, making the surface part of a broader composition shaped by atmosphere, proportions and details.

BALANCED SOFT LUXURY

4

Etereas costruisce un equilibrio fatto di tonalità morbide, profondità luminose e materia. Le superfici entrano nello spazio con misura, alternando presenza e leggerezza, rigore e sensibilità. Ne nasce un'atmosfera composta e contemporanea, dove ogni elemento contribuisce a un insieme armonico.

Etereas creates a subtle balance of soft tones, luminous depth and texture. The surfaces sit quietly within the space, balancing presence with lightness and rigour with sensitivity. The result is a restrained, contemporary atmosphere in which every element contributes to a harmonious whole.

PROFONDITÀ ORGANICA / RITMO GEOMETRICO

Eterea nasce dall'incontro di due linguaggi. La profondità spontanea dell'onice incontra il ritmo preciso della superficie cannettata: segno organico e geometria, morbidezza e struttura, movimento e ordine. Un contrasto misurato che rende la collezione riconoscibile senza mai renderla eccessiva.

Eterea brings together two distinct design languages. The natural depth of onyx meets the precise rhythm of the fluted surface: organic markings and geometry, softness and structure, movement and order. The carefully balanced contrast gives the collection a distinctive identity without it becoming overpowering.
